We are a non affiliated and non profit discussion and study group which aims to raise political and social consciousness and to network for creative social change. We believe in the importance of culture, individuality and moral integrity and in the dignity, value and liberty of each person. Our motto "We serve truth - not consensus".

F.O.R.T upholds the ancient values of the Western world: Honour, Chivalry, Service & Nobility. We know that the sovereignty of the individual is the nemesis of all tyranny - the sanctity of conscience our final court of appeal & the sacredness of human life our final protection. We are the only organization in existence which make the survival of our Western civilization it's primary aim
